Color Program: Master Shutter series can be produced in any color that Mid-America manufactures. This program is designed to provide color options on large scale projects. Minimum order size of 100 pairs per color, per size. Different size shutters cannot be combined to achieve the minimum order. Non-Standard Color orders have a 4 week lead time. Orders are non-cancelable and non-returnable. To determine the cost for Non-Standard color shutter orders, add the price from the upcharge guide to the standard Master Shutter list price. All pricing is list.
